HELLO 4th GRADERS

HELLO 5th GRADERS

HELLO 6th GRADERS

Digital Citizenship

Enjoy [remixing media](#) to create new pieces. Along the way you will learn about copyright, giving credit, and plagiarism.

Animation

Visit [Make an Animation](#) to design custom projects by illustrating and editing your own flipbook. Make sure to share your animations.

Coding Activity

Take a visit to [Code.org](#), [Dance Party](#), and learn how to code a dance!

Dance Party

Hands—On STEAM

Complete one of Mrs. Koenig's Bitmoji Challenges. Find this resource on our [Tech Website](#), Packet #2

BITMOJI CHALLENGE

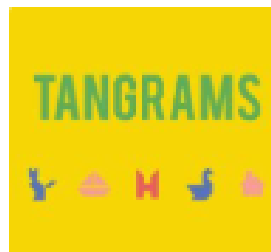

LEGO BALLOON POWERED CAR

BUBBLE WAND

Digital Art—

Mouse Practice

Complete the [Tangrams](#) while practicing your mouse skills. These are a fun way to work on problem solving and visual spatial skills.

Typing Practice

Visit [Typing. Com](#) and practice your keyboarding for 15 minutes.
