

Moon Dough

1 cup Corn Starch

½ cup Hair Conditioner

Food Coloring - Optional

Mix well and enjoy!

What did we learn? We used corn starch that Mrs. Koenig had for a long time, and a new bottle of conditioner.

Guess What?

It didn't work, but that's the fun part of Science, exploring why things work and don't work well together. We decided to buy new corn starch and WOW! It worked!

Can't wait to see your "Moon Dough"
